Message From
Chairman
Chiniot Anjuman Islamia

S.M.MUNEER
(SITARA - E - IMTIAZ)

“

Chiniot Anjuman Islamia (CAI) aims to serve humanity. With a focus on the not-so-fortunate sections of society, the Anjuman is geared to bridging gaps in education and healthcare through innovative interventions.

At CGH, quality is ensured through continuous technology and equipment upgrades, while affordability is facilitated through subsidized services and welfare programs.

Healthcare is a capital intensive proposition requiring ongoing technology upgrades. While the Hospital's internal cash generation and Chiniot Anjuman Islamia are funding annual capital expenditure plans, there is always much more that needs to be done.

"I therefore, request our donors - past, present, and future - to come forward and help us realize our dream of serving humanity even better".

”

Message From

Chairman Board Of Governors Chiniot General Hospital

**SARDAR YASIN MALIK
(HILAL -E- IMTIAZ)**

“

I am pleased to present Chiniot General Hospital's Report for the year 2020-2021. Health care in Pakistan is facing immense challenges. While new technologies in the health sector are developing, the ability of poor members of society to benefit from them is very limited in view of resource constraints.

Chiniot General Hospital (CGH) is striving to address this issue through innovative approaches to provide inexpensive quality care. As an institution, CGH aims to be a place where patients can look forward to healing, hope, and optimism.

I am convinced that the expansion plans currently under implementation at CGH will vastly improve access to affordable healthcare in the catchment area it serves, as well as the overall patient population seeking treatment at this facility.

I am confident that the dedication and expertise of CGH management team will go a long way in meeting our patients' needs as well as expectations.

Capital intensive investments in medical care are only possible with donors' support. I therefore sincerely urge both current and prospective donors to extend their support for the Hospital's noble cause. Working hand in hand and by contributing generously, we will In Sha Allah succeed in alleviating the sufferings of our brethren in need.

”

Profiles

Sardar Yasin Malik *Chairman, Board of Governors*

Muhammad Yasin Malik, Industrialist, and Philanthropist is Group Chairman of Hilton Pharma (Pvt.) Limited, Progressive Associates (Pvt.) Limited and Hinovex Pharmaceuticals. He has won tremendous recognition for his dynamic support in the promotion of education, health, and other social welfare activities. He is proactively working for empowerment of rural communities all over Pakistan.

Profiles

Prof. Dr. Ejaz Vohra **Member, Board of Governors**

Professor Dr. Ejaz Vohra holds his M.B.B.S. Degree from Dow Medical College in Karachi, M.R.C.P. from the UK, and FRCP from Edinburgh.

He has been associated with HOPE Hospital in Salford, UK, Abbasi Shaheed Hospital, and Dr. Ziauddin University Hospital. He was formerly Principal of KMDC and regional representative of Royal College of Physicians, Edinburgh. Currently, he is the Director of Post Graduate studies at Clinical

Ziauddin University and Prof Medicine at Ziauddin University.

He has served as the Chairman, Board of Management at Chiniot General Hospital, Trustee of Chiniot Anjuman Islamia (CAI), and Member, Governing Board at HANDS. He is a lifetime member of the Arts Council Karachi.

Javed Ihsan Puri (Late) **Member, Board of Governors**

Mr. Javed Ihsan Puri, after early schooling at Aitchison College Lahore, graduated from Govt. College of Commerce, Karachi.

In 1960, he joined his family's manufacturing and exporting business in Karachi, and he was Chairman of the Ihsan Group of Companies in Lahore and Karachi. He was a part of Chiniot Anjuman Islamia and Chiniot General Hospital since their inception.

He served on the Board of Governors of CGH as Vice Chairman of Chiniot Anjuman Islamia. He also served on the Executive Committee of Chiniot Welfare Complex and the Chiniot General Hospital.

He was a highly active participant in the workings of CGH and oversaw its operations in all respects as the previous Chairman of the Finance Committee for over ten years.

Obituary

Some people enter our lives and leave imprints on our hearts; we are never the same after they go. Mr. Javed Ihsan Puri, a wellspring of knowledge and a constant source of inspiration, died peacefully on April 24, 2021, at the age of 80.

Mr. Javed Ihsan Puri, a founding member of Chiniot General Hospital, was also the Vice Chairman of Chiniot Anjuman Islamia and a member of the Chiniot General Hospital Board of Governors. He was also a member of the Chiniot Welfare Complex and Chiniot General Hospital Executive Committees.

He previously served as Chairman of the Finance Committee for about ten years, during which time he was actively involved in CGH's operations and oversaw them in all respects. His commitment to humanity will be remembered for a long time.

Profiles

Muhammad Naseem Shafi

Member, Board of Governors

Mr. Muhammad Naseem Shafi has experience of more than 50 years in the manufacturing industry.

After receiving his Master's Degree in Chemistry from Karachi University, he joined his family business in 1964. For the past 21 years, he has been working as Managing Director of Shafi Group of Industries situated in the Industrial areas of Karachi, Lahore, and Hub (Balochistan).

In honor of his contributions to industry and commerce, the Federation of Pakistan Chambers of Commerce and Industry named him "**Businessman Of The Year**" for 1985-86. For the years 1975-76, 1976-77, and 1991-92, he was elected Chairman of Pakistan Tanners Association.

He is involved with a variety of charitable organizations. He is a founding member and Senior Vice Chairman of Chiniot Anjuman Islamia (CAI), and has been involved with Chiniot General Hospital since its inception. He is also a member of the Board of Governors and Executive Committee.

Mr. Muhammad Naseem Shafi is also Chairman of Executive Committee of Chiniot Islamia Public School in Gulshan-e-Iqbal, Karachi, where he has worked from its commencement.

S. M. Saleem

Member, Board of Governors

Mr. S. M. Saleem has been Chairman of MIMA Group of Companies and a prominent businessman and industrialist for the last six decades. The Federation of Pakistan Chambers of Commerce and Industry named him "**Businessman of the Year 1987-88**" for remarkable accomplishment in the domains of trade and industry. He served as Chairman of the Pakistan Tanners Association for several years and spearheaded numerous measures to promote commerce. He has also been on the boards of Muslim Commercial Bank, NDL Corporation, and NIB Bank, among other financial institutions.

As a leading Philanthropist, he has been serving as founding Trustee and Managing Trustee of Chiniot Anjuman Islamia (CAI), and has been closely associated with the Chiniot General Hospital – the flagship project of the Anjuman.

He is currently Chairman of Executive Committees of Chiniot General Hospital and Chiniot Welfare Complex and is also serving as a member of the CGH Board of Governors and member of Executive Committee of other Projects of CAI.

Shahid Shafiq

Member, Board of Governors

Mr. Shahid Shafiq holds MBA Degree in Finance and Accounting from the Institute of Business Administration (IBA), Karachi. He has also served as a member of the Board of Governors of IBA, Karachi, first as a Student Representative and subsequently as Alumni Representative. He has also been associated with various Student Clubs.

He is serving as a Member of CGH Board of Governors, Trustee of Chiniot Anjuman Islamia and Executive Committee member of CGH & CIPS. He is the Chief Executive Officer (CEO) of Shahid Shafiq (Pvt.) Limited and has also served on the Boards of two charitable hospitals, a school, and a number of NGOs.

Profiles

Siddique Sheikh

Member, Board of Governors

Mr. Muhammad Siddique Sheikh is the Chairman of Progressive Group of Companies, having experience in business and industry since 1957. He has held key honorary positions in Education and Health Care organizations.

He is a member of The Indus Health Network's Board of Trustees (IHN). He supports organizations such as Sindh Institute of Urology and Transplantation (SIUT), Layton Rahmatulla Benevolent Trust (LRBT), SINA

Health & Education Welfare Trust (SHET), Children Cancer Foundation (CCF), Patients Welfare Association (PWA), Child Aid Association, and Cardiac Surgery Unit (Civil Hospital), Karachi.

He supports organizations such as The Education Foundation (TEF), The Ilm Foundation (TIF), Committee for Monitoring and Improvement of Schools (CMIS), Professional Education Foundation (PEF), and Empowerment CCB (ECCB), which provide free education services.

He has been the Advisor on social sector of The Federation of Pakistan Chambers of Commerce and Industry (FPCCI). He is currently the Convener of the Standing Committee on Corporate Social Responsibility (CSR), which oversees the Standing Committees on Health Care, Primary and Secondary Education, Innovation & Entrepreneurship, Sports & Culture, Special Education, Technical Vocational Educational Training (TVET), Water Management, and Religious Affairs.

He is also a member of the UN Global Compact Steering Committee in Geneva, Switzerland, and the National Committee for Science and Technology (ECNCST) at Pakistan's Ministry of Science and Technology.

Prof. Dr. S.M. Tariq Rafi

Member, Board of Governors

Prof. Dr. S. M. Tariq Rafi is the Vice-Chancellor of Jinnah Sindh Medical University, Karachi, since its inception in 2012. He is also Professor of ENT and Head of the ENT Department at Jinnah Post-Graduate Medical Center (JPMC), Karachi since 2001.

Following graduating in 1988, the Federal Public Service Commission appointed him for the position of Medical Officer at JPMC based on merit. In his function as a teacher and mentor, he has trained hundreds of doctors over the previous two decades. He was chosen Chairman of JPMC's Academic Council and served from 2010 to 2011. He has also chaired the committees on PWD, Accommodation, Purchase, and Discipline.

He was elected President of the Pakistan Society of ENT in 2010 and is currently the President of the ENT Societies of the South Asian Association of Regional Co-operation (SAARC).

For his outstanding academic achievements, he was given a fellowship FRCS by the Royal College of Surgeons, Glasgow, and is the first Pakistani to obtain such a distinction in the field of ENT.

He is currently the Chairman of the Central Procurement Committee, which was established by the Chief Minister of Sindh to acquire medications and equipment for the Government of Sindh's Health Department.

Profiles

Zahid Mazhar Puri **Member, Board of Governors**

Mr. Zahid Mazhar Puri is a well-known industrialist and businessman. He is the CEO of the Nadeem Group, which is involved in a variety of industrial and commercial activities. Smile Train Partnership Program

Smile Train is an international non-profit and charitable organization providing corrective surgery for children with cleft lip and palate. Its headquarter is in New York City. Founded in 1999, Smile Train provides free corrective cleft surgery in 87 countries, trains local doctors and provides hospital funding for the procedures.

Chiniot General Hospital signed an agreement with Smile Train in 2019 to provide the facility at Chiniot General Hospital. Since inception of the program, over 70 cleft lips and cleft palate surgeries have been successfully performed by

Tuberculosis (TB)

More than 1.7 billion people are estimated to be infected with tuberculosis (TB). The global incidence of TB peaked around 2003 and appears to be declining slowly. The World Health Organization (WHO) estimated that the incidence of active TB disease in 2020 was 9.9 million new cases.

Pakistan ranked 5th amongst the high burden countries in the world. National TB control program (NTP) aims at TB free Pakistan by reducing 50% prevalence of TB in general population by 2025.

In cooperation of Sindh TB control program, CGH has established a center where free consultancy, diagnostic procedures and treatment are provided by qualified physicians.

931

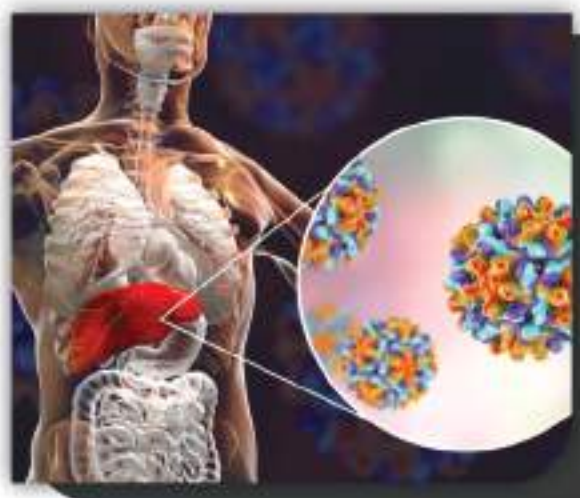

TB Patients
Treated

Hepatitis B & C

It is estimated that approximately two billion people worldwide have evidence of past or present infection with Hepatitis B virus (HBV), and 257 million individuals are chronic carriers.

In Pakistan, there are estimated seven to nine million carriers of HBV with a carrier rate of 3-5%. Chronic HBV infection, if not treated, progresses to cirrhosis and may also lead to HCC.

Pakistan has the second largest burden of Hepatitis C globally, with a nationwide prevalence of 4.8%. Chronic HCV infection results in cirrhosis and a major risk factor of HCC. Treatment of chronic HCV with novel agents is promising.

CGH is contributing in this national cause to eliminate this disease from the country and provides free medical treatment to Hepatitis patients.

8,241

Hepatitis Patients
Treated

Patients suffering from TB and Hepatitis B & C are treated in Chiniot General Hospital and provided free treatment through Welfare Department.

Education & Training

Postgraduate Training Program:

Chiniot General Hospital is recognized by College of Physicians and Surgeons of Pakistan for postgraduate training program (FCPS/MCPs) in Gynaecology & Obstetrics, General Surgery and Internal Medicine.

Process is underway for recognition of Department of Paediatrics for postgraduate training at Chiniot General Hospital.

Undergraduate Training Program:

In order to promote academic activities, research culture and upgrading of the consultants working at CGH a MOU was signed with Iqra University and accordingly Iqra Medical College will send their students to CGH for clinical training from 3rd to final year MBBS. Joint research programs and workshops will also be carried out between Iqra Medical College and CGH.

Paramedic Training Program:

Nurse Aide Training Program:

Nurse Aide Training Program was initiated in May 2017. The 1 year training program allows students to learn about Fundamentals of Nursing, Anatomy & Physiology, Basics of Pharmacology, drug dose calculation etc. The training includes both lecture-style sessions and hands-on training.

Critical Care Technician Training Program:

Critical Care Technician Training Program is recognized by Jinnah Sindh Medical University which allows CGH to provide quality training for 40 students in a calendar year.

Presently CGH is offering trainings in the following disciplines:

- ◆ OT Technician
- ◆ Emergency Training
- ◆ ICU Technician Training
- ◆ NICU Technician Training
- ◆ PICU Technician Training
- ◆ X-Ray Technician Training
- ◆ Laboratory Technician Training

30 Students

Department of Obstetrics and Gynaecology

Antenatal Care (ANC) :

Proper Antenatal Care is essential for the health of both mother & child. CGH provides quality ANC to identify & manage Obstetrical complications e.g Pre-Eclampsia , Eclampsia, Gestational diabetes & other infections.

Special counseling is provided for balanced diet and Postnatal breast feeding.

Labor Care:

Fully equipped maternity unit with well-trained doctors and midwives are working untiringly to provide positive live birth experience to our patients.

Family Planning:

Appropriate gap between child birth is important for the health of women. CGH suggests appropriate methods for birth control in its Family Planning Clinic.

Fertility Clinic:

Although our country has a high birth rate, still a number of couples are childless. Proper counseling and work up is done in our fertility clinic to bring happiness to such couples.

The department is recognized by College of Physicians and Surgeons Pakistan for FCPS training.

1,785

Department of Paediatrics

Department of Paediatrics is headed by a Professor of Paediatrics, qualified in neonatology and general paediatrics.

The department is fully equipped with Neonatal and Paediatric Intensive Care Unit. It is also equipped with ventilators and facilities for blood gases and other relevant investigations within hospital premises.

All newborns delivered at CGH are seen by consultants. Paediatric cover is given to the high risk pregnancies during caesarian by the gynaecology department. Procedures like lumbar puncture, diagnostic and therapeutic aspirations are routinely performed.

Department of General Surgery

General Surgery is managed by a team of experienced and highly skilled surgeons. Operation theaters are maintained as per ISO standards with strict infection control protocols. CGH provides state of the art facilities for laparoscopic surgeries.

The department is recognized by College of Physicians and Surgeons Pakistan for FCPS training.

OPD Patients
6,128

IPD Patients
486

Department of Orthopaedics

Department of Orthopaedics is managed by a highly qualified team of orthopedic surgeons which conducts a range of orthopedic surgeries. CGH offers platelet rich plasma (PRP) therapy for all kinds of joint pain and facility for other arthritis conditions.

CGH ensures that post-operative orthopaedic patients are mobilized very next day by our experienced physiotherapist. All patients are regularly followed up in the OPD and further in Physiotherapy as needed.

OPD Patients

Department of Physiotherapy

The Department of Physiotherapy at CGH provides professional care in the field of rehabilitation. The department aims to provide optimal quality of life for individuals with physical disabilities. The physiotherapy department is equipped with latest adaptive equipment and electrical modalities and has a well-equipped gymnasium.

Our expertise and dedication combined with our patient's trust and cooperation is the basis of our success.

Physiotherapy
7,335

Department of Dental Care

The dental department provides a full range of cosmetic and specialized dental treatments using the latest technology by a qualified team of dentists. Dental treatments provided by the department include teeth whitening & bleaching, crowns and bridges, root canal treatment, orthodontic braces etc. Strict infection control measures are in place and separate set of sterilized instruments are used for each patient.

Patients Treated
8,826

Expansion and Upgradation of Hospital

Please Support ongoing Patient Care Projects

With growing number of patients, CGH is expanding its high quality services with the addition of 4 Block (2 floors). Expansion work is in progress.

Planned Departments :

- OPD Upgradation
- Surgical & Allied Units
- Admin Hall
- Bio Medical Department
- Emergency Upgradation
- Pathological Lab
- Radiology Department
- IT Complex

A complete floor will be designated for Critical Care Area (CCA) which will include:

- Medical ICU
- Surgical ICU
- HDU
- NICU
- PICU

We seek your financial assistance for CGH expansion facilities to provide high quality healthcare services.

Donation Request

Project details are listed below:

PROJECTS	Estimated Cost Rupees (In million)	Estimated Beneficiaries Patients/year
1 Replace existing CT Scan Machine with 64 slice Version	95	1,400
2 Upgrade & Renovate Existing Operation Theatres (03)	40	5,500
3 Building Expansion Rupees 40 million have been spent on grey structure Funds are required to cover the remaining cost.	70	40,000
4 Upgradation of Paediatrics Department through expansion of NICU & PICU	60	1,500
5 Upgrade Emergency Department & Triage	20	30,000
TOTAL	285	78,400

Medical Equipment Required:

S.No	Items	Tentative Price (in PKR)	Quantity Required
1	Mammography	30,000,000	1
2	PCR Lab	15,000,000	1
3	OPG X-Ray Machine	15,000,000	1
4	Sigmoidoscope	7,000,000	1
5	Anesthesia Machine with Ventilator	6,900,000	3
6	Phacoemulsification Machine	5,000,000	1
7	Operation Theater Tables	5,000,000	3
8	RO Plant	5,000,000	1
9	A&B Scan Machine	3,500,000	1
10	Harmonic Scalpel	3,000,000	1
11	Cardiac Monitor	3,000,000	10
12	OT Light (Double Dome-Led Light)	1,600,000	1
13	Auto Kerato Refractometer	1,500,000	1
14	Slit Lamp	1,500,000	1
15	Operating Microscope	1,500,000	1
16	Ligasure Laparoscopy	1,500,000	1
17	Diathermy	1,400,000	1
18	ETT Machine	1,200,000	1
19	Infusion Pump / Syringe Pump	600,000	3
20	Digital Tonometer	400,000	1
TOTAL		109,600,000	

If SPONSORED FULLY the name of the Donor will be displayed in the Ward / Theater
Shariah compliance is ensured by the Hospital's Social Welfare Team under advice from
Mufti Ibrahim Essa, while spending your zakat on deserving patients.

SAVE A LIFE THROUGH ZAKAT AND DONATION TO CHINIOT GENERAL HOSPITAL

- For every Rupees 75,000 of Zakat donated, the hospital will issue the donor a Zakat Voucher Booklet.
- This booklet contains 5 vouchers worth PKR 15,000 each.
- The voucher can be given to patients in need of medical help.
- Free treatment worth PKR 15,000 will be given against each voucher by CGH.
- Donate your Zakat now and receive the booklet.
